

## SAMURAI

I pass  
like a blind horse  
in the depths of the Valley  
to whom I leave my tears?  
who painted these fears?  
like a yellow creek  
falling leaves kiss my cheek  
I am tattooed  
death  
the last sound  
a drop of blood  
where the humble sensei cut  
the bonsai tree  
my sword smiles  
inside me
